SUPERVISOR TRAINING (2) Hrs.

Employee Awareness Training: Provides employees with a basic understanding of the problems associated with drug and alcohol use and the impacts of that use on the workplace. Employees learn when to say "When" and why to say "No."

The Supervisor's Role: Focuses on how supervisors can improve the productivity of their employees. It educates supervisors about key management skills that can help employees modify, or change, their behavior so they can become more successful at work.

Drug Testing: Teaches employees and supervisors about the drug testing process, from specimen collection through the medical review of results.

Alcohol Testing: Trains employees and supervisors about the alcohol testing process and the role of the substance abuse professional in counseling.

Clients include: Frontier Airlines, XO Jet, Dallas Area Rapid Transit, URS, Xcel Energy and many Fortune 1000 companies.
